# LAUFRADSÄTZE 2015

Die Liste gibt Ihnen einen Überblick über mögliche Kombinationen von Laufradsätzen, welche bei uns in aufwendiger Handarbeit entstehen. Alle Preise (inkl. USt) stehen für den kompletten aufgebauten Laufradsatz mit Sapim CX-Ray Messerspeichen und den r2-bike Zusatzleistungen. Gewichtsangaben errechnen wir mit jeweils 32 Speichen vorn und hinten. Ausnahme bilden gekennzeichnete Naben sowie Felgen, welche nur in 28 Loch verfügbar sind. Es handelt sich um Mittelwerte, welche aufgrund von Fertigungstoleranzen leicht abweichen können.

Für eine individuelle Beratung in Bezug auf Einsatzbereich, Zusammenstellung einzelner Komponenten oder anderen Fragen stehen wir Ihnen jederzeit zur Verfügung!

Anfragen / Bestellung: wheels@r2-bike.de

The list gives you an overview of possible combinations of wheel sets which arise in our complex manual work.
All prices (including VAT) are available for the complete built wheelset with Sapim CX-Ray spokes and the r2-bike benefits.
Weights we calculate with 32 spokes front and rear. Exceptions are marked hubs and rims, which are only available in 28 hole.
These are averages, which may differ slightly due to manufacturing tolerances.

For individual advice regarding application range, aggregation of individual components, or other questions, we are available at all times!
